Education

Harcourt Butler Technical University

Bachelor of Technology in Information Technology — CGPA: 7.7/10

Sep. 2023 – May 2027

Kanpur, Uttar Pradesh

Professional Summary

Information Technology undergraduate with a strong foundation in software development and problem-solving. Passionate about building scalable web applications and continuously learning modern technologies. Seeking a Software Development Intern or Entry-Level Software Engineer role where I can contribute to real-world projects while expanding my technical expertise.

Projects

Personal Portfolio Website | *React.js, JavaScript, HTML5, CSS3, Styled-Components*

2026

- Developed a responsive portfolio website using React.js with reusable components and modern UI design.
- Implemented smooth scrolling, responsive layouts, and interactive animations to enhance user experience.
- Showcased projects, technical skills, education, achievements, and contact information through a clean and responsive interface.
- Deployed the application on Vercel for fast and reliable hosting.
- Live Demo: portfolio-lake-mu-44.vercel.app
- GitHub Repository

React Demo App | *React.js, Vite, React Router, Axios, Context API*

2026

- Developed a responsive React application featuring authentication, protected routing, API integration, dynamic search, and user detail pages.
- Implemented authentication using Context API with protected routes, login validation, and logout functionality.
- Integrated the JSONPlaceholder REST API using Axios to fetch user data with loading, error handling, and real-time search functionality.
- Built reusable components using React Hooks and React Router following a clean and modular project structure.
- Demo Login: +254712345678
- Live Demo: react-demo-app-ochre.vercel.app
- GitHub Repository

Technical Skills

Programming Languages: C, C++, JavaScript

Web Technologies: HTML5, CSS3

Frameworks/Libraries: React.js, React Router

Version Control: Git, GitHub

Developer Tools: VS Code, Chrome DevTools

Achievements

- Solved 300+ coding problems on LeetCode.
- Active competitive programmer.
- Participated in coding contests.
- Built multiple React.js projects.
